Daddy, I still can't believe your really gone. I just feel you left us too quickly. It's funny how the good ones go, too soon but the good Lord know, the reasons why I guess. Mom quoted "he was such a good man, every woman deserves a good man like him". Those words she told one of the doctors will stay with me forever! A great father that put his wife and children first. Sometimes that greater plan, is kinda hard to understand, right now to me it don't make sense. I just can't make it all make sense.So, So long dad, until we meet again! I'll remember you and all the great enjoyable times and great life we all had together! And of course our signature funny face we've done since I was a kid! ??????! love you daddy and miss you soo much!!You rest in peace!Your oldest son,
