Lenda and I went to college together, and were best friends throughout our college years and early careers. Like many friendships that long ago, we eventually drifted apart. But Lenda made such an impact on my early life....she was so smart, so self assured. I wanted to be just like her. I only just found her obituary this month when I was thinking about and wondering about and did a google search; I was so sad. She will always be for me a shining example of a woman of substance, to be much admired.

The sorrow we share in not getting to share our lives with Lenda is inexplicable. The time I spent with Lenda was like a short staycation, a most interesting journey. I truly loved her company, her stories, and the endless gifts she showered upon me. Whether one's association with Lenda was by blood or by choosing, it was a cherished association. I ache for all who will miss her, as do I. Condolences to all. May she rest in peace and reap the rewards of a life well-lived.

Jerry my heart goes out to you during this time of sorrow. To Len's children, your mother was such an exceptional wonderful and delightful woman. I am so honored to have known Len and worked beside her for many years at Southeast Louisiana Legal Services. Although I am somewhat older than Len, I learned so much from this Lady. We became such good friends and had many laughs together. She was a tough Attorney and anyone would have wanted her on their side. There are so many wonderful words I could think of to describe my fortunate pleasure of having had her in my life for so many years. She loved her children so much and was always so happy to share her pride in her children. Len my heart is very heavy and sad but and I happy that you are in such a better and beautiful place, which you have so graciously well earned. I will miss you every day until we meet again, my dear friend. God has wrapped his arms around you and made you complete and free of any suffering. Enjoy your glory and fly with the angels.Rita Sullivan McCrory

When I first met Lenda it was when I walked into that dorm room at UNO. There stood a beautiful young woman with an engaging smile. We became not only roommates but instant, lifelong friends. Lenda was in my wedding. She was adored by my family back home in Ga. Though we both traveled throughout the years, we managed to stay together. And now we will remain together in spirit until we meet again in Heaven. May God hold your loved ones close to His heart and bring them peace. I love and miss you, Len, Barb

Lenda was a sweet and genuine lady and my brother was so lucky to share his life with her. She shared so much of herself and the rich history of the New Orleans area with my family as we got to know her. It was so easy to love her. I'll always remember our vacation and camp trip years ago when my children were younger. We had so much fun. I wish we could be there with you all, but know we are there in spirit. Rest in Peace dearest sister- in-law.

My memories of Lenda are mostly when she had very young children and of how loving and devoted she was. I am sure she learned this by the example of her Mom and Dad. I have been blessed to be a friend of Cherry and to be acquainted with the Dean family. I will be praying for all who grieve that God will grant you peace in your hearts.
