As Director for JPHSA Community Services for individuals with developmental disabilities and their families, Bob and I worked together over 20 years. He was a composed, sensitive and caring social worker and JPHSA Director for access to needed disability and mental health/behavioral services. He was a consummate professional, always taking care to ensure individuals and families needs were met and rights were honored. As a colleague, he was always willing to listen and share his wise advice and experience. We admired his family devotion and love of outdoors. He made a difference in the lives of so many. May God bless him and all his family. With Deepest condolences, Stephanie Campo, Ph.D.

Such a kind and gentle man. Bob will be missed at every family get together. He certainly enjoyed his retirement, his free time to fish in Lake Pontchartrain with his kayak, and the time he had to plant a garden. He loved spending time with his grandchildren, they were good at making him laugh. I will forever remember him sitting on Grandma Lou's porch, enjoying the good times in quiet observation.

Bob was a treasured brother in law. I will miss his wise nature and quiet character. I will always think of him when I read James chapter 1vs 19 about 'quick to listen, slow to speak, and slow to anger."
