Derek filled every room he entered with his smile and his laughter. It is hard to understand why he had to leave so early but I guess the Universe had a bigger plan for him. Thank you for all the great memories. You will be missed but never forgotten. My thoughts and prayers are with the family, may your strength and love for one another, together with your memories get you through this time. xo

Derek, we will miss you deeply. Danny and I loved having you and Suzanne and girls over for special occasions. You were like family to us. We especially loved hearing the "crock pot story" each time we saw you. You would laugh so hard as would we. Those were the good times. We still can't believe you are gone. But you are not forgotten and we will always cherish the fond memories we have of you. Please watch over all of us from heaven. Love, Lynda and Danny
