OMG!! You were my best friend cousin.. We always had a lot of fun together. I could not wait until you came to the house. Your smile was contagious and your laughter a sound of music. My parents loved you like a son. I remember you coming to my parent's 50th wedding anniversary and we got to dance. You never complained no matter what was wrong. As an individual, your heart was the biggest and words the kindest. You will truly be missed by everyone you touched during your life. Love you, your cousin, Linda..

I will always remember the good times and fun my cousin Al and I had. The Thursday night wrestling matches we went to in St. Bernard , Louisiana, the trips to Julie's home and when we work together at the same insurance company. In a lot of ways Al was like my brother. I always enjoyed it when we were together. It was always easy to have fun with a good guy, and that he was. It will always be in my heart. Love you big guy. Rev. Edward L. Prince
