Jason McLain

APR 20, 1964 - JUN 30, 2014

Jason Erich McLain passed away peacefully at home on Monday, June 30, 2014. He was born the beloved son of Barney and Beth Barker McLain, on Monday, April 20, 1964. He is also survived by his sister Amy. A native and life resident of the Lee Road community in Covington, he was an employee of the St. Tammany School Board for over 20 years. He possessed an uncanny knowledge of anything and everything associated with trains and his kind, most generous spirit was consistently seen, in not only his love for cats, but also in how he lived life and loved us all. Relatives and friends are invited to attend funeral service at 12:00 Noon on Thursday, July 3, 2014 at E.J. Fielding Funeral Home, 2260 W. 21st Ave. Covington, LA 70433.

Visiting hours on Thursday will begin at 10:00 AM.

Interment at the J. M. Fussell Cemetery will immediately follow services.

Breaker, Breaker 19... Weed hopper are you there? Jason and I met on the Citizens Band Radio (CB) when we were just kids! The memories I have are so special even today I reminisce about 1975. "Big Foot and in Search of the Loch Ness Monster" we would laugh about how many pickles he ate during the movie. (STAR Theater) The frog catching, the mini-bike rides, and the board games all are just memories now. I am so sorry I did not keep in contact with you. You were such a nice guy...always smiling and always worried about other people.....never yourself! I remember the time Jason gave me a tour of his Dad's Troop L police car. He knew he was not supposed to but he knew how important it was to me - that was just how Jason was. Rest in peace now, Jason! Your work is complete on Earth! My thoughts and prayers are with his parents and his sister....Amy....he loved you so! Weed hopper, this is Billy the Kid.....signing off! Good bye, my friend. Rich

Dear Barney, Beth, and Amy: I was shocked to learn of Jason's death in the paper this morning, I saw him a few weeks ago in Mississippi after years of not seeing him or your family. He said you were around Barney, but I couldn't find you. I will always remember Jason's smile and humor. Please call me if I can be of help to you. "Eternal rest grant unto Jason O Lord, and let light perpetual shine upon him". Love and Peace, Louis Ogle

Barney and Beth; I was sorry to hear about Jason the other day. He was always such an upbeat employee who helped out every way he could. I would have come over to Fielding's in person, but Linda had an early morning procedure at Ochsner Hospital this morning. You are in my thoughts. Jason's face and cute ways would light Abita Springs Elementary many days. He spent many days with our family keeping our bushes cut and checking on teachers/staff he loved. Oh Jason, What a sweet person you were. Such a kind heart. We shared a love for all of God's creatures and had lots of fun catching lizards, frogs and salamanders around Lyon Elementary. We shared a bus seat often. Seeing how we were some of the unlucky ones to get on the bus first and get off last. I will miss knowing that your sweet spirit is no longer here with us. Miss Beth, my Heart hurts for you. You were always such an amazing woman. I adored you as our bus driver and loved Jason like a brother in school. I was not one to keep in touch once I left school. I moved on in life to having babies and working. Then moving 2 states away. I wish I had kept in touch. You and your family will be in my thoughts and prayers.
