Dear Kevin: Out of all the Cavaretta brothers at S.P.S., you and I became friends the Summers we spent "working" as counselors at Camp St. Paul's, and through band ... so this is directed to you, through you my friend, yet extended to the entire Caveretta Family ... Keith was my classmate while he attended St. Paul's, I fondly remember a happy young man, always with a smile, easy going, who seemed to have an endless supply of Caveretta brothers, a virtual bevy of Caverettas' at St. Paul's (you know, kind of like the Osmonds, one never quite knew where the line ended, or how many of them there actually were !) ... Keith was well loved by his classmates ... we quickly learned, Keith, likewise happened to have "Mr. C, for a father, which explained a lot ! We all KNEW "C" was for "Cool", Mr. Mouton and your Dad, were the two men we all wanted to emulate ... Keith and you, are reflections of your father. Kevin, there's never enough time with those you love, but you had Keith, and you had your Dad, however painful and hallow this feels, and will feel, you "have" them within your spirit; it was Far Too Short, yet you were, and are blessed. I lost my Dad while at St. Paul's, I know first hand how that feels ... I don't know what it feels like to lose a brother ... please know, regardless of space and time, I will always consider you my friend, my Saint Paul's brother ... I simply wanted you to know that I "got ya" in my heart and soul ... 305-496-3684, if you ever need a shoulder or an ear ... my prayers are with you and your family. Your friend, "Phil" Christian Phillip Wagner, III
