Never have I been more shocked than when Jimmy called and told me that Jeff had passed away. Jeffrey was the baby on Firetower Rd, always following behind Jimmy, Rob and Sidney going to the creek to fish or camp out. When you saw the group walking down the street toward the creek, there was Jeffrey carrying the fishing pole and tackle box. My heart along with everyone else's that knew him is just broken. Jeffrey was one of the sweetest and kindest persons on earth. Always well mannered and always willing to lend a hand. Jeff you will be missed so much, you have left us too soon. Please watch over your family and friends, they are going to need it! Rest in Peace Jeff, Love, Cheryl Giraldi & Rob

Lisa, i am so sorry for Jeff's passing. He was such a sweet person. When i would run into him in town or at Maddi and Katie's cross country events he was so excited. I remember when my husband, little girl, and i ran into ya'll at the Palace Theater in Hammond and stood outside in the rain just talking. His sweet smile will be all around....you will see him again one day. Take care and GOD bless you and Katie.

I was very saddened and shocked to learn of Jeff's passing. He was a great guy who will never be forgotten! We first met as teenagers and immediately became friends. We later ended up working together while I was in college and hung out quite often then. He was always smiling and would make me laugh with his sense of humor. We kept up with each other on Facebook but hadn't seen each other in several years. We recently spoke about getting together in the near future. I regret that we didn't do it sooner. My thoughts and prayers are with the family during this difficult time.

It was a blessing to know Jeff and it was a pleasure to work with him. He was smart and did a good job. He was witty and funny. He would always play little jokes on me, leaving me funny stuff to find in my office. He had a positive outlook. Even if he was aggravated about something he would find something humorous in the situation. He was always friendly and smiling. You could tell that he really cared about people because he always took the time to check on you. One day he heard I was having a bad day and was upset about something and he went out of his way to come up to my department to check on me. This left a lasting impression on me about what a good and caring person he was. He loved Lisa and Katie dearly. I am so sorry for their loss and I am sending prayers for their comfort.
