Blake was such a smart guy and I enjoyed working closely with him at LTM. I know he loved his parents and his dog was his best buddy. I'm so sorry to hear of his passing. He will be missed.

Just receiving the news of Blake's death which has literally stopped many of us in our tracks. We worked with Blake in Baton Rouge on the TIMED program. As I read the comments already written from people who knew him in Covington; there is not much more to add. We loved his smile, his unique personality, his knowledge even his debating skills. He will be missed by many and leaves open a place no one can fill. Praying for comfort and peace for his family. Jackie Babin
