Dianne, I was sorry that I just got news of James' loss. My thoughts and prayers go out to you and your family. James was a good man and he always made me feel comfortable and welcome. Mom (Geraldine Carter) said to send you her heartfelt sympathy; she said those Graham men were some truly nice guys.

I feel so blessed that I knew you James, you were so up lifting and a down right good man. I don't think I ever met anyone as kind as you. In all the years I've known you I have never seen you angry or mad. I'm still trying to believe you are gone.....only physically though, you will always be in our heart and minds. You have touched so many people in your short stay here. I will always remember your words, don't look down, look up and will always listen for that little whistle. R.I.P. Joe and I will miss you. We love you Jim.

Thinking of you and your family as you mourn the passing of James. May your memories of happy times with him give you comfort in the days ahead. I will always remember the kindness that James showed to my mother. Every day James brought Mother her newspaper and her mail. Many hours that he spent talking with her so she would not feel so lonely. God has a special place for James. He will be so missed in the neighbor.
