To the family,I wanted to take a minute to let you know that you are all in my thoughts and prayers. I will always cherish the memories we shared together. I will never forget the late nights playing cards and how Uncle Dick would make everyone laugh so much. I can qoute him on so many things because he had so much fun making us laugh and spending time with all of us. From the time he took me to get 36 stitches next to my eye (because Blake hit me with a pool skimmer) to the time he scared all of us so bad we had to change our underwear (when he would bang on Maw's trailer in the middle of a scary movie). We had so much fun playing cards with him and Maw that our family plays "sets and runs" on a regular basis. I know this is a tough time for everyone, but remember all of the good times he shared with so many people. I Love all of you so much and will be praying for the entire family.Ben Stein and Family

So sorry to hear of Mr. Willie's passing. He was such a nice man. Although I didn't get a chance to know him as well as I would have liked, he seemed to be the type of man you "knew" as soon as you met him. I know that he will be missed by many.
