Even though I am married to his son Neil I did not get to spend much time with him, but the time I did get to spend with him even if him and Neil were fussing he was always very nice to me and my children and I do.t ever forget that he would let my oldest child whom is autistic in a mild form okay this slot machine he had cause he understood it was hard for him to be social so that showed me he was a very caring man and he loved kids. Rest in piece and my heart and prayers go out to y'all s family I'm so sorry for your losing a parent and if there is anything u need from .me just contact me

Michelle Hinckley lit a candle in honor of George.

George was a wonderful Husband, father,and stepfather. He always found a way to show us a good time. I remember once we all wanted to go on the boat and Nanette spoke up to ciphen the gas out of a vehicle to supply the boat...we had a fabulous day..I think we even got snowballs after. George I hope u have a fabulous time in the everafter and pave the way for the rest of family. I loved the time I spent w you and ur family. Thank you for being real. I will always respect the man u are.
