Cheryl was my very best friend. We became friends when our children were still toddlers..Stephie and Scott, and a little later Robbie came along. Our families became one, we enjoyed our Friday card games. While we played cards, Stephie took charge of Scottie and Robbie. She would play school and the two guys were the "pupils". And, there was the night she dressed them with hats, purses, lipstick and other clothes. She was so proud of all three of them, they came to us while we playing cards..we made comments about how wonderful they looked, so they left the room....and George, Bobbie, Cheryl, and myself ran to the garage where we laughed hysterically (but not so loud for the kids to hear!)..There are so many happy, happy memories of my dear friend, Cheryl. She was a wonderful mother, wife, and friend. So many loving memories she brings to us....I love you, Cheryl Ann, and miss you ...thank you for being in my life.

I met Cheryl in Medjugorje in 1987 when she came with group of pilgrims. I was her guide and that was my very first job. She was so wonderful to me when I could hardly speak English. I have guided her groups for many years that followed. She became very dear friend. I was guest in her home in the USA and we shared some very special moments. Although we havent talked in years I thought about her a lot and kept her in my prayers. She will always remain in my heart. Mirela Cigic (Mickey)
