Sandra was a beautiful person who was the light of every room she entered. She will be missed and quite fondly remembered by everyone who knew her. My only regret is that more people will now not get to know her and that truly is a loss. I will miss her and know that she is received in heaven and is looking down on us all and smiling and laughing with that infectious laugh that she was so quick to share with everyone. We all are better for having her in our lives and we all will never forget her.

Nanny, I know you tried to prepare me for this moment but I am so heartbroken. This hurts more than I ever could have imagined. Last week when you told me you were lucky to have me, I know I am the lucky one to have you in my life. YOU were the best gift my parents ever gave me. You were always there for me no matter what the case at hand. I love you more than words could ever describe. I will write some more later because at this moment, the tears will not stop falling. I love you always, Cyndi Lou

Barbara, Aunt Shirley, Cyndi, mBlake and all the nieces and nephews, I am so sorry for your loss. Sandra was such a strong lady. She shouldn't have to live in pain. Love, Sharon

I had the privilege of working with Sandy for the last 4 weeks of her life during the End of Life Hospice program. She was a strong lady who did not want to leave this world but was called by her son Michael and our Lord. We spent many nights together working through her pain ...always a trooper. I will miss her, I do already. Cyndi, Shirley and Barbara, may you all be at peace now. God Bless Sandy Andry-RIP Beverly Burleigh Senior Care Giver
