Eugene "Gene" M. Singer

APR 8, 1934 - DEC 13, 2014

Eugene Michael "Gene" Singer passed away of natural causes on Saturday, December 13, 2014 in Mandeville, LA. He was born on April 8, 1934 in Little Rock, AR, grew up there, played a lot of golf, and attended Hendrix College for two years before transferring to the Univ. of Ark, Fayetteville, where he earned his BBA in 1955. He accepted a scholarship to grad school and as part of his scholarship he also taught a course in Sophomore Economics. In 1956 he earned his MBA from the Univ. and was graduate cum laude. He worked for Phillips Petroleum in Oklahoma and then with Maryland Casualty Co. near Baltimore. His heart remained in the South, however, and he transferred to the New Orleans Maryland Casualty Co. There he met the love of his life, Doris Shelby. Later he joined Paul Leaman & Co. in New Orleans as VP, Insurance Agent and Broker, and was there from 1966-1995. A life-long resident of New Orleans, he relocated to Mandeville after Hurricane Katrina.

Married in 1960, Gene is survived by his wife of 54 years, Doris Shelby Singer of Mandeville; his sister Anne Singer St Pierre of Concord, CA.; niece, Babette St. Pierre-Casad of Vallejo, CA.; nephew, Bobby Shelby (Nancy); two grand-nieces and one grand-nephew, all of Mandeville, LA.

Gene was a very loving, generous, devoted and honorable man. Words are inadequate to describe how much he was loved, and, how much he will be missed.

Relatives and friends are invited to attend the funeral services at 12:00 Noon on Saturday, December 20, 2014 at E.J. Fielding Funeral Home, 2260 W. 21st Ave. Covington, LA 70433.

Visiting hours on Saturday will begin at 10:00 AM.

In lieu of flowers, donations may be made to a local charity of choice.

I only knew Gene when we were teenagers at LRHS and never saw him again after graduation night in May 1951. I called him at his home several years ago and urged him to attend our high school class reunion being planned at that time but his health would not permit travel to Little Rock. Gene was so much fun to be with & always "game" for whatever the group had planned for the day. My heart goes out to his family at this time of their loss. Luci and I learned of Gene's passing through the Univ. of Ark. publication we received yesterday. Our sympathies are with Doris and Anne as we know what a tremendous loss they have suffered. Gene, my brother, Dick Gladden and I were together through many years at the 2nd Baptist Church in Little Rock. We played on softball and basketball teams for a lot of years prior to departing for college. Gene and I roomed together in Fayetteville, 1952-1953, trying to subsist on chili and cokes and saving enough change to keep his 10 ton 4dr Studebaker running along with purchasing anti-freeze for my 1948 Jeep Willys. He was the mainstay in our high school gang. I was glad that I got to visit with him again over the last number of years following our LRHS reunion. He was the brightest of us but always humble. A true gentleman. Skip and Luci Gladden

Uncle Gene, You will be missed by all of us who knew you. Your gentle spirit and witty humor made you such a likeable person. You were an impressionable person and influenced my early adult decisions, inspiring me to follow my dreams. After Katrina, we all splintered about and distance has separated us physically but my heart will always cherish those great moments we shared on State Street. Thank you for being such a great husband and taking care of Aunt Doris. Lots of love and with a heavy heart, Cyndi

The Good Lord has one of his most awesome creations now. Mr. Gene treated me like a daughter for the past 45 years. He always said I was his girlfriend. When I was younger and my own Dad couldn't make it to a Father Daughter pancake breakfast at Valencia, Mr. Gene filled in. I wish I had had more pancake breakfasts with him. I was lucky to have such a fabulous person in my life. I love you and miss you and will one day see you again.
