To the family, I'm so sorry to read about the passing of your loved one and send my condolences. losing someone so dear to you and at such a young age is very difficult. Remember the loving memories, and keep them a part of your lives. Jesus said "I am the resurrection and the life. The one who exercises faith in me, even though he dies will come to life." (John 11:25) My prayers are with your family.
