Truly Sad day, Pat will be missed.....he lived a good life and was a wonderful husband and father and friend. So sorry Betty and family that I could not be with you today at Service.....so many memories of good times on Burke Drive and fun times at Bissonet Country Club, especially one party when we were on Entertainment Committee and ran out of plates for the steaks.....Pat came back with a bunch of plates to save the day...found out later he had taken used plates out of trash, washed them and dried them and handed them over like he found them tucked away.....we had a good laugh for many gatherings after that.....he was a special friend and I think of him often when we get together and reminisce. God has him tucked under his arm and enjoying his stories.....Love, Diane (schnatz) and Dan Roberts
