It is with great sadness that I just learned of Ronnie's passing. I hope this gets to his family realizing he has been gone for a few years. I sold Ronnie two APBT dogs over the past 23 years perhaps. We delivered the first one personally. What a nice man he was. Very pleasant and hospitable. He showed us his chopped Mercury and took me for a ride in it. I recently suggested that another dog client in Chalmette contact Ronnie as they both had purchased dogs from me. That is when I learned that Ronnie had died. I am so sorry. The world is a lesser place without him. Ken Buzzell Land of Giants Kennel Massachusetts.

It is with a very heavy heart that I write this. We have been friends my entire adult life. You picked up many of my accident scenes when I was a Trooper, you did all of my personal mechanic work but more than that we were personal friends. You always greeted me with a smile. You have helped me out when I was down on my luck. We socialized together and I will never forget our trips together to the gun shows. You were a good man with a pure heart and you worked like a dog for everything you had. I am going to miss you old friend.
