Theresa:Sorry to hear about the loss of your Mother. She was always such a sweet lady and I have pleasant memories of my times at her home with you, one of my closest high school friends. Also remember her "baking" all her goodies.It is a large chapter to close when one loses her Mom.....I still talk to my Mom daily..I feel she is now my special angel.Hope you are well as well as your family.Perhaps we will see each other one day; however I do not make many trips to Covington any more.You will be in my prayers.
