I am so sorry to hear this news. I was reading the newspaper to find the writings for my husband's Grandmother, as I looked down the page, I saw Autumn's name - I used to cut his hair sometimes - a long time ago, in Covington and I remember him just as he is described here, as a sweet person. My thoughts and prayers are with you. Jade Guidry, North Carolina

Autumn has always held a special place in my heart - the world is a colder place without him in it. My heart goes out to his loving mother Peggy and to his brothers and friends. He has been a close family friend throughout our lives and I will always cherish the summers we all spent together swimming, going to the waterslides, canoeing, almost blowing my finger off with fireworks, and fighting the undertow at the beach. I love you Autumn!!!
