Steven Samuel Search was my father and I am his only daughter . We had a very tight bond. My dad was my rock , he was always there for me and I remember when I was a young child , my dad said "I'm not going to be around forever" and I said yes you will because daddy's never pass away. I never thought he would go as soon as he did. I thought he would live a long life and I would be old and my children would be grown but it didn't happen that way and I still can't believe it's real. I wake up in the middle of the night crying because I miss my dad incredibly and always will. He meant the world to Me and I didn't really get a chance to show him. I love him with every breath in my body and that will never change. I was closer to him and knew him better than anyone.and let me say this he was an amazing dad and an even more amazing person. He brought light to the darkest days in our lives. Gone but never ever forgotten. Your wings were ready but my heart was not. Rest easy daddy and mayl your soul shine amongst the brightest of stars.I'll always be searching for you.
