Please take comfort in knowing how much love and admiration that so many people have for Tucky. Sure, she was a petite woman, but her spirit was BIG--REAL BIG!! She has left us with an indelible legacy that no words can aptly describe but which we can all feel and honor going forward in our lives. Jill Marshall - 9 years ago

I am so sorry for your loss, which is a loss to so many of us. There is so much I could say about Tucky, but it is just simply stated that she was one of the finest humans I ever had the privilege of knowing. Wherever she is, and whatever she is doing, the one thing I am sure of is that "...it is BIG, very BIG!!!!!!!" Tom Rowan

I had the honor of meeting Tucky in 1983 we she and I lived on the south shore. She was so distinct because she would have these big curlers in her hair. She always had this great attitude and always looking for the good in things. She became my sponser in the, " Friends of Bill's". She is my hero. She is the rock I stand on. She is the person I most want to be like. For you people who haven't known her for 30+ years... She really started and was the main support for Serenity by the Lake for a long time. She was such a gift to so many....To the family, May God richly bless you with fond memories of her. She really gave so much to us. Thanks for sharing her.
