When I first met Roz in the fall of 2005 I knew she was a very special person. She came in for an interview, and the day she joined our IP Rehab team, she made a very positive change in the morale of the unit. Many young and not so young nurses on our unit and throughout the hospital respected her expertise and her positive approach to any problem. She served on Shared Governance and was an asset to that multidisciplinary team. She loved her family and shared with us the many joyous moments she shared with them. We came to love her family and her husband through her stories. I will forever feel her presence on my unit and in my life. My heart goes out to the family, and I know they will forever feel her presence in her life.

From my Lutheran Prayer Book -Amid our tears, O Lord, we praise Thee as Thou hast received Rozellyn to Thyself in glory for all eternity. We thank Thee that Thou hast brought her to the knowledge of Jesus Christ, our Lord and Savior. Comfort her loved ones with the glorious hope of the resurrection and the life eternal. Grant her loved ones grace to say with a believing heart "Thy Will Be Done", and to know that Thy will is a good and gracious will even in the present hour. Comfort her loved ones through Thy Gospel, which promises strength and help to the troubled and weary. O Lord, forsake us not in this hour, for Jesus' sake we ask it. Amen.
