Frank and family,I'm so sorry to hear about the passing of your mother. I didn't know she was sick. The last time I saw her was at her retirement luncheon. I retired today because I have congestive heart failure. Give me a call when you get a chance. My number is 455-5937. Hope to talk to you soon.Love,Suzie Winstead

May the family find comfort in loving memories, and in knowing that God is "close to those that are broken at heart; and he saves those who are crushed in spirit." (Psalm 34:18) Our loving Creator, Jehovah God, has promised to soon "swallow up death forever... And wipe the tears from all faces." (Isaiah 25:8) With deepest sympathy.

Jennie and her family were always the family we chose vs. natural family. I can remember her and Patch being part of our family since I was a small child. I remember dinners at a very young age at Jennie's parents' home and Jennie coming to Florida for my wedding. My parents cherished their friendship with Jennie and Patch. If a person's face represented love, it would be Jennie's face.I have the utmost respect for Frank and Stacy for the love and care they gave to Jennie. I know Jennie loved and cherished Margaret and Enzo and it was terrific that Jennie was able to have such a close loving relationship with them. We hope that Frank's family and ours can continue to share the closeness.Debbie & Mike
