What a woman!!! It just won't seem right to see Julika again and not turn to say "Hey Momma! How's it going??" She gave awfully big hugs for such a small framed lady. In our family, we believe everyone gets to choose their parents. As a free floating spirit you're given your life mission and you get to look upon the earth and choose the two people in all the world that will best prepare you and cultivate the skills you will need to somehow make the world better. Julika didn't play around with her decision!!! She chose the best two people to provide her with all the love, acceptance, and intelligence she exercises everyday. Momma was a great story teller. I asked her once how she met Julika's dad. She said, without skipping a beat, "Well, I had great legs!" followed by a sweet sincere giggle. Her sense of humor was priceless and the love for her family was endless. Julika - you honor her everyday by just being the woman you are. You are brave and strong and her love will be with you always! All our love - Diane Brown and family

I spent 9 weeks with Julika and "Mom" in Jacksonville when Julika and I taught Fire Academy. I had the pleasure of having dinner with Mom most nights, and got to know her very well. She was a wonderful, sweet lady, and wanted me to come over to her house so she could cook for me, because she could tell I liked to eat! I am so sorry for your loss, Julika. You and your family are in my thoughts.

Dear Julika, I'm so sorry!!! I just found out but cannot be with you today as I would have liked. I'm grateful you have Valerie at this time. I am sending many prayers and deep sympathy. Your mom was always so kind to me; I remember both your parents as gracious folks to all. I will not forget her wisdom in driving me home when we stayed up talking til 3 am, playing pool. I still treasure the doilies she made when we reconnected after college. I pray you will be strengthened and consoled by the incredible amount of love I saw in your parents. Julika, I know how much a mother means to someone. Especially what your mother meant to you. I'm so sorry for your loss. I wish I had been able to meet her. I know from Sherry and those who are close to you that she was a kind, gentle and beautiful woman. She spoke of her so often that I felt I knew her. Please know that my love and prayers are with you. Having lost my mother I know how hard it is. I bet my mother finds yours and they are talking about us now and smiling :).

My daughters and I first met Magda when she and my wife were residents at Lacombe Nursing home. We could hear her sweet accent and discovered that she was from the same village as my mother from Kecskemet, Hungary. There were moments of joy recounting stories from he home village. I can still hear here calling me as I would pass by her room "Fraaank". She will be greatly missed. Condolences to you Julika and your loved ones. Frank Raab

Magda Reiher was a sweet wonderful and loving person whom I was blessed to know and love. WE were Married to brothers and although marriage made us Sisters-in-law, Love made us Sisters. This awesome lady adored her husband,Max, and took wonderful care of him and kept an impeccable home.

Magda was an incredible Mother and loved her children unconditionally.As "Sisters" we enjoyed many outings to Copeland's, her favorite place for lunch and pick up a dessert at La Madeleine's, a deliciousTeramisu . I have missed our times together and alway will. Julika, your Mother wasthe very best and you have been blessed to have her so long she will always be with you in your heart. Much love to you from my heart. lovingly, Cindy Reiher
