My sincerest condolences to sally's family. My thoughts and prayers are with you! What a great loss to all who knew and loved her! I had the honor of knowing sally in my early 20's. We had many fun times and shared lots of stories, which were always filled with much laughter! She was very intelligent, funny, and charming! I thought she was the finest interior decorator too! This gal had all the class in the world! I will miss you dear one, but happy you are in heaven and no longer suffering here! We will meet again one day and I ask that you be out front to greet me when it is my time to be called home!!! You have earned your wings, so fly and rejoice! I love you!
