Lloyd and I spoke by phone each year on this date to commemorate the memory of our mutual friend and college professor, Dr. Bernard Bienvenu, whose birthday is today. When I called Lloyd today his cell number was not working. A quick internet search led me to this funeral home site. I'm so sorry to learn of his having passed last year and do not want the loss of Lloyd to go without expressing my sympathy to his family, whom I have not met. Lloyd was great friend to Dr. Bienvenu and handled his after-life wishes faithfully. Lloyd was a very good man. I will miss our annual telephone calls. My very sincere condolences. Gregory Reggie

Lloyd Montero rented a suite on Ridgellake Dr. Metairie, La for 20 years. The best person I have ever known. What a real friend to lose. He, Martha and his two sons can know that he treated us special. Lloyd, both you, your brother and family will be in our prayers. Affectionately, Dick and Cynthia Schmidt

It was a shock to hear about Lloyd. My mother and I met Lloyd during a pilgrimage to Medjugorie in the early 1980s. He was a very devoted person and he will be missed. RIP my friend. MMG

When Lloyd moved here from Texas in 1959 and transferred to Met. Jr High, he was an instant basketball sensation! One day he offered me a ride home and i thought his parents were picking him up. No way, he drove me home in his 1956 Ford street rod! It had 3 on the floor with 3-deuces under the hood! He was the only 14 year old licensed driver in the ninth grade! What a thrill to a scool bus rider! He will be missed!Bob Mitchell

We called Lloyd "Moose" at Metairie Jr. High. I never knew why...he just became "Moose" a name that went with us to East Jefferson High School. This young man was exceptional and even the kids knew it. Lloyd "Moose" will be remembered. We all loved him!
