Susan Bailey Deano

AUG 15, 1950 - JUN 3, 2015

Susan Bailey Deano died Wednesday June 3, 2015 surrounded by people who love her. Her father, Van Norman Bailey, and mother Frances Lucas Bailey predeceased her. She is survived by her husband Edward Deano, Jr. and her two sisters Webbie Bailey Nee (John) and Debbie Bailey Probst (Paul).

Born in New Orleans on August 15, 1950, Susie moved to Mandeville 25 years ago. She worked as a mineral title abstractor throughout Louisiana for 32 years. A sought after and generous mentor, Susie enjoyed an excellent professional reputation.

Committed, gentle and strong, Susie was active in her adoptive community of Mandeville. Her efforts were varied from organizing a counter Ku Klux Klan rally to founding a garden club. A deep concern for the welfare of children led her to be a Court Appointed Special Advocate representing the interests of children before the courts. Susie was a founder of the Green Fund and led efforts to purchase land in Mandeville to preserve it in its natural state. Even recently, Susie brought the highly acclaimed poetry boxes to Old Mandeville. A staunch progressive, Susie represented the Mandeville area as an elected member of the Louisiana Democratic State Central Committee. She will be remembered as a kind, loving, fun and loyal friend.

Susie's cooking is legendary. Her devotion to her nieces and nephews is complete. Working in her gardens, a wonderful expression of her creativity, brought her immense pleasure.

In lieu of flowers, donations may be sent in her name to Doctors Without Borders at <http://www.doctorswithoutborders.org> or the Southern Poverty Law Clinic at <http://www.splcenter.org>.

A gathering of friends and family will be held at the Deano residence at 136 Lafayette St. in Mandeville on Sunday, June 7, 2015, from 5-8 PM.

Dear Webbie, Debbie and Edward, I was very saddened to hear of Susie's untimely death. I had not seen her since high school but treasure the memories we had during our delightful youth. From reading some of the tributes, I realize she was still the precious, kind and spirited girl I knew so long ago. I have thought of her so many times over the years after leaving New Orleans. Please know that all of you and Susie will be in my daily prayers. I wish I could be at my old friend's final celebration, but I am away. Blessings and peace be with your family. Coco Baus Dupont

Susie and I worked together in the '70s at the American Cancer Society in the old Masonic Temple Building on St. Charles Avenue. We became instant close friends. She was so real and funny and intelligent and beautiful! Because of life and circumstances, we gradually drifted apart, but I kept up with her through the Bullock family. I have thought of her so many times through the years. What a loss you all must be feeling. Prayers, energy and love.

Dear Edward & Mr. & Mrs. Bailey, On behalf of my family (Dot & George Stokes of Covington, LA), we want to express our deepest sympathies to Edward and to you, Mr. & Mrs. Bailey on the loss of your beloved wife and daughter. Several years ago, I had the opportunity to meet your beloved Susan through Edward at a Christmas Eve party of a mutual friend. Susan so impressed me with her sense of humor, quick wit, energy and warm spirit! She was an amazing lady with a zest for life and a hearty laugh. She shared with me about work, which was very interesting and noble. Susan was most dedicated with a deep passion for children, their new home and the garden, too. She had such a presence about her and lit the room up with her sparkling blue eyes and smile. She will be missed! May your fond memories of Susan be with you now and forever, as she was a special lady with many friends and a wonderful caring heart. May she rest in peace.
