Nancy and Peggy,I am so very sorry for your loss of both your dad and your sister. You guys have had a lot of loss to deal with in your life. I am so blessed to have know your family. Kathy was one of my best friends in high school and beyond. My son loved her dearly but when he was little he could not say Kathy so he started calling her Pappy and to this day that is the name my family still calls her. I cherish all of my time that I was able to spend with her and that she was a part of my life. I remember before we went out anywhere that your dad had to give us words of wisdom and I still have the jumper cables he gave me for my first car. I truly believe that Judy, Kathy, your mom and dad are at peace and together watching over there angels on earth. God Bless you guys and know both of you and your family will be in my prayers.

Nancy and Peggy, Please accept my condolences on the passing of Kathy and your dad. Sadie Ave. was a great place to grow up as a kid, and the Ketchum girls were always fun to be with. Kathy had such a beautiful spirit as a child and, when I ran in to her a few years ago, she still had that glow. Your dad was such a towering presence and had a great, warm smile. I know they are both missed, but their spirits will live on through you. Know that you are both in my thoughts and prayers in hopes that you can find peace.Sincerely, Suzanne Estopinal Burgard and the Estopinal family
