Dear Gayle and Tommy, While I am unable to attend your mother's memorial service today, I want you both to know you are in my thoughts and prayers. Elma Lee was precious to me during times of great difficulty and her words always gave me comfort and hope. She made me feel so special, especially when I saw her after my mother passed to be with her beloved Jesus. What good memories I have visiting your home in my childhood! Your mother even taught me her way of putting a pillowcase on a pillow...so easy! May she now rest in her eternal home and you both have peace in her passing. Ruth McKee-Sticker

Dear Gayle and Family, Had just connected on Facebook with Ruth McKee, our mutual friend and she shared the sad news with me. I have the fondest memories of your Mother when we were young and of the times shared at your home....the bubbling Christmas lights on your tree, the cold cuts spread on your dining table, the warmth and love in your home and her kindness to a stranger. May she rest in peace. Deepest sympathies, Twana Casey 2264 Atchafalaya River Hwy Butte La Rose, La 70517337-212-2859
