Will and Megan, I am thinking about you during this time. May God give you supernatural strength and peace during this time. Taylor is in Jesus' arms now and he has no sorrow or pain. He awaits for the rest of his family while he spends eternity in the best place he can imagine. Jesus is rocking him and telling him what wonderful parents he has! Taylor is a gift from God and I know you both cherished his first hours here and months inside your belly. Hold on to those moments until you can hold him again. Love you dearly.
