A light from our Family is gone, A voice we loved is stilled. A place is vacant in the home which never can be filled. We have to mourn the loss of one we would have loved to keep. But God who surely loved her best has finally made her sleep. After a lifetime of her love and joy and music to fill our ears God leaves these wonderful memories to help us through our tears. \*\*\*\*\* Say not in grief that she is gone but give thanks that she was yours. \*\*\*\*\* Grandma, May Daddy and Grandpa have greeted you at the gates of Heaven to be reunited once again. Miss you all. The thing I remember most about my grandma Thelma is we are both Capricorns true at heart. Our birthdays were always one week apart. :) With tears and joy, Paula Marie Bouey Schwab.

Such wonderful memories, of Ms Thelma, as she was known to me as a child, she was my mother's best friend . There were all the trips across the causeway to see ms Thelma and spend the day. Such a sweet sweet lady, she would always have a big meal fixed, and we would spend the day.
