Bill my precious cousin I'm going to miss you so much, I miss you already. I'm going to miss you every time I go to Walmart and I don't see you there to make me laugh and share a special story. I pray that you are in heaven and made new ,you're young again with absolutely no sickness and you're greeted by Jesus and all of your family members and friends that went before you! I know my dad will be glad to see you he was always so fond of you! To the Ronan family, my cousins , I love you and remember as Christians, this is not goodbye this is only see you later! :-)

Tuddie and family, We are so sorry that we could not be there for Bill's funeral. The video was a nice tribute to Bill and he would be proud. We pray for each of you to find peace and that Sweet Jesus will help you make it through the tough days ahead. Bill loved his family and he would want you to go on celebrating his life. It won't be the same, but just cherish all the memories your family has made. We love you all very much! Sara & Sylvia

I'm just lost for words. I don't want to sound like a cliché. I've known the both of you almost 40 years. I can't sleep I'm so sick over this. It's starting to hit me though. Tomorrow will feel like a ton of bricks for real. I have this lump in my throat over the whole ordeal. Bill ALWAYS had time for anybody. He'd talk your head off. There was never a feeling of being uncomfortable with Bill. That is a gift! Bill could have had anybody he wanted too. He was such a good looking great man.....and Angie, he chose you! I wish I could take your pain away Angie. I will love the both of you forever. I am always here for you! Laura, Les, and Chip
