Betty Diane Guillory Brewster

APR 18, 1938 - SEP 8, 2015

Betty Diane Guillory Brewster passed away peacefully into the arms of our Heavenly Father, on September 8th, 2015. Diane was preceded in death by her husband, Terrell Wayne Brewster, and her parents, E. Jack Guillory and Eugenia Smith Guillory. Diane is survived by her sister, Brenda Guillory Otte (Vern). She is also survived by her five loving sons, Terrell Wayne Brewster II (Mary Jane) of Spring, TX, Clifton Ford Brewster of Covington, LA, Richard Clayton Brewster (Sharon) of Covington, LA, John Franklin Brewster of Pensacola, FL, and Daniel Hyder Brewster (Tanya) of Isabel, LA. She also leaves behind the “hearts” of her life, her grandchildren, Katie, Caleb, Zach, Brock, Danielle, Cassidy, Dana, and many step-grandchildren. Finally, she is survived by her great-grandchild, Penelope, numerous nieces and nephews, cousins, and extended family.

Diane was born in Richmond, VA, on April 18, 1938, and raised in New Orleans, LA. She has remained close to many of her high school friends, some from elementary school. She graduated from Fortier High School in 1955, in New Orleans, LA. When some high school friends and she put together a reunion several years ago, Diane named them the “Five Fabulous Fortier Females.” Diane resided in Covington, LA, since 1971. She will be remembered for being a devoted wife and mother, as well as being “mom” to many others. Her five sons gave her the name “Five Star Mom”. Diane always cared for her family’s well-being, health and happiness. Diane was a great cook, and was a master in the kitchen. She was a trusted friend who always listened well and was there when you needed her, unselfish in her persona. Her beautiful smile said it all. She was employed by and part of the Southeast Electrical Rep Group for the past 15 years. She loved and was loved by her team.

God is welcoming her with honor and gratitude for the love she showed to the many she came in contact with during her time on earth. She will be greatly missed.

I will always remember her beautiful smile and her kind heart. I first met her 40+years ago. Truly a wonderful lady that will be missed forever.

Diane was my safety net. I never told her that. Her hugs and smiles always made everything better. They may have only been an exchange on the way to the mailbox or during the coming and going of our lives but I am grateful that God allowed me to have her in my life. She will be greatly missed.

Great lady, great family, great sons ! The Brewster compound was the place to be growing up in 1970's Covington. Diane and Terrell were surrogate parents to many kids who visited their house. So sorry to hear of your loss ...Ned Leonard

There are too many memories I have of Mrs Brewster to share. What I remember most is that she was funny, caring and wise. She lived life to the fullest. She often referred to me as her son when people would ask who I was, and it's true..she was a second mother to me. She was a major influence on my formative years and yes...she was an awesome cook!

I'll always remember Diane in her kitchen, so beautiful with a great sense of humor, inviting me to stay for dinner, spend the night...taking care of a bad cut on my leg... I felt so at home there. Those were wonderful days. I know the boys miss her very much. My heart goes out to them. With love, Julie Gauthier

Diane and I raised our children together living next door on the banks of the Bogue Falaya river in Covington. Terrell, Diane, Don and I were like family and she was definitely a second "mom" to my children She was so beautiful, loving, compassionate and such a great cook. We had many meals at her house and our children were always building something or other on the river. My heart goes out to her boys - she was a wonderful mother to them. She will always be in my thoughts and prayers. With love, Ann Gauthier

Diane has been a most loyal and fun loving friend since Fortier High School days and then at Newcomb College. Through the years, she has kept in touch and shared family photos and funny emails, and entertained me when I came to town. She was so proud of her family and never stopped missing her Terrell. When life gave her lemons, she certainly did make a good Lemonade. I admired her so and will miss her smile, spirit and support. My condolences to all of her devoted family. I will miss Diane very much. I had so much more to learn from her, patience, acceptance, toughness, and how to make her special recipes. I was blessed to be able to spend the last 3 weeks with her, even though it was in the hospital. She taught me a much in those 3 weeks and I believe she knew that through our quiet times and conversations. You'll always be in my heart Diane. Our family grew up next door to the Brewster's since 1971. They were like a second family to me. It shaped my life in later years. Diane was a great cook and too many times to count, when I'd be over when dinner time was approaching and the great aroma of her cooking would be in the air. They always asked me if I wanted to stay for dinner. A very generous special family that I love. David Gauthier
