I have been so blessed to have known the love of this wonderful woman. She always made my heart smile. Although over the years I saw her very little, when I did it was filled with joy....no matter what the circumstances. I will forever be grateful for having known her. How very lucky she was to have all of you ( her children and grandchildren ) to take such wonderful care of her these past few years. My heart goes out to all if you. Her smile, her laughter and her wonderful wit, will remain with me always. She was an amazing lady. Rest in peace my beautiful friend. I will live you forever. Daphne
