We send our heartfelt sympathy to you and your family for the loss of your dear son/brother Victor. No words will ever remove the deep pain of losing a loved one but may God's words of continuous help (Ps.34:18) be of some comfort during this sad and difficult time. Victor touched the lives of others and will be sadly missed.

Can someone let me know what happened to Victor, how he died?? I know the family, not really close enough to ask them . Just trying to put some closure to this sad situation.

Thank you

So incredibly heart-breaking to hear about Vic. I remember him as such as beautiful, smart boy and loved when he'd visit the PICU on Saturdays with Sam. Please know I am thinking of you all, and hoping that the love of those around you can somehow begin to heal some of your pain. Love, Jenny Baldassaro, RN, PICU Ochsner 1998-2010.

Growing up in the same neighborhood with you was a blast. Being your roommate later in life was a learning experience. A lot of my childhood memories involve hanging with you and your family. I hope that we can meet again, Vic. You are still one of the most wonderful people I've ever met.
