Mrs. Rita was such a loving, kind person, I had the pleasure of working with her for 11 years at the bank in the late 70's and the 80's, if not for her I may not have made it. She used to tell me daily you can do this, she taught me everything there was to teach about bookkeeping with a loving heart. My children, nieces and nephews trick or treated at her house every year at Halloween, she always had a special little bag made up for each of them, they loved going to her house, her and Mr. Nick always took the time to make them feel welcome. I know she is happy with Mr. Nick now.
