My thoughts and prayers are with the family at this time. He was a wonderful man and is now with your mother up in heaven. He did a great job raising his family with the help of Gilda and I know was very proud of all of you. Just trust in God and remember all of the good times. Bonnie Melancon Greene

I remember the day Paul and I decided to move to Folsom I can't believe it's only been 8 short years. While we visited, your mom insisted that they take us around the area and show us some properties for sale. Bob drove as me and Gilda sat in the back seat. They couldn't say enough about the area. Gilda insisted as we drove along that we pray for God to send us to the property we were meant to have. I believe God honored that prayer. They could always be counted on for good company, good food and always a good testimony. They will be missed terribly.
