My wonderful Anna, you could always make me smile. Which usually turned into lots of giggles. I'll forever hold those memories in my heart along with all of our talks. Remember to keep your holy water bottle in your hand up there! I love you, Charla, your little Anna

Our thoughts and prayers are with your family! Anna will be missed by so many. I loved her giggle and smile and will miss her so very much. I remember her telling the story that when she would come to visit our family that she always had a little shadow that would follow her around the whole time she visited. I loved being that shadow and I adored her. One of my favorite memories was when she took me to El Paso with her for two weeks. I had so much fun, learned so much about her and she opened my eyes to a whole different world. Because of her I fell in Love with Texas. She will be in my heart and the heart of many others forever. I'm sure that my Dad (Floyd) was one of the first to welcome her home. Heaven has received a very special angel. Love from us to all of you, Susie (Lynch) Mathews
