I didn't have much time with her but those years I had whenever I was going to the old folks home for her were amazing. She always showed so much love and kindness! She was a person who was always loved no matter what , and I know she is in heaven with her husband and daughter having a great time, and I am praying for those who lost her the most.

Mrs. Claylee was one of those very special and precious persons that can touch your life in such a way that those memories never fade. I have known her my entire life and could tell so many stories of my time at her home. From playing "Ring around the Rosie", coloring on the porch, to the beach towel that had \$1 million dollars printed on it that she gave me for my high school graduation. I still have that towel even though it is thead bare. One thing about her, she always made me feel special and very much loved. That was a gift that she was blessed with. I have been blessed to have had her as a part of my life. I know she is in heaven now with her husband and daughter. This world has one less beautiful light in it but heaven certainly gained the best. All my love to you Marlene and Jim. I know you will miss your Mom.

Although I have never met any of Ms. Claylee's family, I have had the pleasure of seeing her on a regular basis at Forest Manor, as she sat at the same dining table with my mother. Ms. Claylee was just one of the sweetest ladies I have ever met, with a smile on her face all the time. The last time I saw her was last Thursday at dinner time and I even had the pleasure to help her with eating her meal. My prayers go out to her and her family. May she forever rest in peace.Cheryl Cado (Daughter of Cecilia Ford)
