Dear Michael, James, Kathy, and John, I thoroughly enjoyed working with your mother those years wenshared at Our Lady of the Lake and was privileged to share a friendship with her and your father outside the school environment. One evening, I went over to their house to see a button eared cat Ellen had named Sarah Lee. The three of us had a light supper and watched "Batman." Don't ask because far be it from me to figure that one out. At the movie's end, we looked at each other, got a terrible case of the giggles (Yep, even George was giggling like a school girl!), and never did we mention that movie again! What wonderful, kind people your parents were. I was honored to know them and call them friends. May God give you the consolation you need. Mary Pratt Lobdell

Ellen and I had many good times on our daily commute to Fifth Ward Jr. High. She shared so many memories of her young days in Ohio, and the story of how she met George. She has been a very loyal and kind friend for all the years I've known her. She will be greatly missed, but I know she is happy to be with her beloved George again. She loved her family dearly, and she was a dedicated teacher who wanted the best for her students. Brenda Petro
