My thoughts & sincere prayers are with you sweet friend Carol and Family. We know through our Christian beliefs and the near death experiences we've heard or read about that he's in a much, much more beautiful peaceful place, that we can't even begin to comprehend. But he's sweet humble spirit will be missed till it Hurts , when I think of my memories of the most, kindest, humble, gentle man that I ever met in my life... Steven Myers will forever live in a special corner of my heart. I pray God said, well done my good and faithful servant. Thank You Steve for the memories... Your Old Friend Joan

I hadn't met Steve but knowing Carol and knowing their marriage as she shared with me, and knowing her and Steve were much like my mom and dad, I know the great loss Carol and her family are enduring. It's odd to say he reminded me of my dad, having never met him but through Carol, he did. Steve was one of the Good Ones. My heartfelt prayers...

 This beautiful commemoration of Steven Ray Myers captures the tender, vivid moments of his life with loving and dedicated family and friends. The love shown in his brilliant eyes reflect the windows of his deep adoration and admiration of life, the very soul of Steven's being. Be encouraged everyone, an appointed time by God alone will reunite those who remain on this earth in their journey. In the meantime, God's will is to celebrate the joy of the life shared together and to continue to rejoice in the reason for living through the many seasons. We too are limited to this time on earth. We are just passing through and will reunite as God plans. Steve embraced by best buddy, God now!
