My condolences to the family, This is a most difficult time for the family, the pain and grief of losing Peggy can be overwhelming. What comforted me when I lost a loved one was the hope found in the Bible at John 11:25 when Jesus said: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." As you reflect on this promise, I pray that it will bring you the same comfort it brought me.
