Itira Jackson lit a candle in honor of Richard.

I did not know Richard personally or even worked closely with him to know that he was a good person. I got to know him from seeing his face on occasions throughout our journey through the (MCCNO) Convention Center. Whenever, I see him he is always pleasant and happy. He speaks every time he passes me. He was so full of grace. when I learned of this sad news, I was shocked! I immediately said to myself that I won't be seeing that guy around ever again:(My condolences goes out to his family, friends, and co-workers.

Rick was one of my closest friends at Kilgore High School where we shared many happy times. His early passing brings to mind the message we sent with flowers after a car accident on our way to Rick's Lake Cherokee house took Mickey Donald on prom night in 1965. The message repeated one of the last things Mickey said to us: "We Sure Had Fun." Rest in peace Rick and thanks for the memories.BG
