Our deepest sympathies to Georgette & Gina & family. Praying for you all. We are out of the country and will not be back in time for the services. What fun & wonderful memories we have of great times spent together!! Thanks to Cliff for my introduction to " white lightning " !! Remembering all the times he quit his job to go on vacation with the group only to come back and get his job back!! How he enjoyed children thinking he was Santa and a particular time on a wagon ride thru Cade's Cove where a young boy was memorized with him & wouldn't leave Cliff's side. So many more stories could be told.....so here's a " Have Mercy!!!" for you our dear friend!!! Rest in peace!!!
