Pamela Ann Legendre

AUG 27, 1953 - FEB 19, 2016

Pamela Ann Legendre passed away on Friday, February 19, 2016 in her home in Covington, Louisiana at the age of 62. She was born in Hotel Dieu on August 27, 1953 growing up in New Orleans and in Little Farms. She was preceded in death by her parents, Oneal and Rita Legendre and is survived by her siblings Patty (Charlie) Justice, Steve (Gigi) Legendre, Charlie (Jane) Legendre, and Celeste (Tommy) Thompson. She is also survived by her loving nieces and nephews Anne Yvette and Rick Legendre, Oneal (Tiffany) and Michael (Kelsey) Legendre, Will and Olivia Thompson, and Caitlin and Baldwin Justice. Pam attended Saint Matthew the Apostle elementary school and graduated from Dominican High School in 1972. She attended Spring Hill College for one year and then went on to the University of New Orleans where she would earn Bachelor degrees in Music Education and Piano Performance and Master Degrees in Piano and Drama. Pam developed into an exceptional pianist, accompanist, vocal coach and conductor holding musical and choral director positions at the University of New Orleans, Loyola University, Tulane University, Tulane Summer Lyric Theater, St. Charles Avenue Baptist Church and Le Petit Theatre du Vieux Carre among others. Pam also conducted the Louisiana Philharmonic Orchestra in its Family Discovery Series and Nutcracker ballet productions. In the words of one of her colleagues, Pam was “an institution in New Orleans musical theater.” In 2001, Pam left the city to become the artistic director for The Corps of Discovery, A Musical Journey, an opera commissioned by the University of Missouri. She would later take on teaching positions at the University of Missouri and at Columbia Catholic School. Recognized as a demanding teacher and exacting conductor, she was equally noted for her character, care and concern for others and for her disarming wit. For the last two years, Pam has served joyfully as a music teacher and choral director at Saint Scholastica Academy in Covington.

Pam Legendre was my opera teacher at the University of Missouri. Working with her was like walking into the eye of a hurricane; awesome orchestrated chaos. Ms. Pam made an indelible impression on me with her incredibly high standards and expert musicianship and stage direction. I'm sorry to hear about her passing really and truly, but I know that she lives on in the musical lives of all the students she touched. You are missed!

Pam and I were undergraduate classmates at UNO. She played piano at a Friday afternoon student recital on the first composition I had performed. She later performed on my masters composition recital in 1985 as an accompanist on three art songs. At the end of the performance of the songs, a member of the audience leaned over to me and said, "That was gripping." I thought at that time, and today, that the art songs were the highlight of the recital. No subsequent performance of the songs created so strong an audience impact. Pam had intuitive musical instincts that allowed her to merge the intentions of a composer with the potential of a performer to create a dramatic experience for the listener. She was an astounding talent. My last contact with Pam was at the time of the Le Petit Theater performance of "Scrooge". She provided free tickets to me and my young niece. Pam will always hold a special place in my heart. My sympathies are with Pam's family. John Rohr

My sincere condolences to Pam's siblings and nieces and nephews. I know you will miss her terribly. I was a friend and classmate at UNO many years ago. I have many fond memories of her, but mostly I remember how important her family was to her. She was the life of the party with her imitations of Jackie Gleason and Carol Burnett and of course her performances of her signature aria, "Queen of the Night." We shared a love for learning and enjoyed exciting moments as young musicians. I hope you will all find comfort during this time of sadness in each other and in your wonderful memories of Pam. What a loss of a superior talent in the music community. Pam and I go a long way back, beginning at UNO in the 1970's when I was her piano teacher for her Bachelor's degree and later for her Master's degree. She was one of the first Piano Performance majors in the young Department of Music and thereby was one of my first "babies". We grew very close and had many wonderful times together outside the studio as well as in her lessons. I will always cherish the memories of those days and all the later ones that followed. She meant so much to so many and my heart is heavy for her loss. My deepest sympathy to her family. I remember her parents well and pray that they are all together again now and that she is conducting a choir of angels !! My love to you, Pam. Mary Ann Bulla

I worked extensively with Pam when I was president of the North Lake Performing Arts Society and she was the choral director. She was a tough negotiator! My favorite memory is that during our concerts she would sing along with the choir, and she was not the greatest singer! It would pick up on the recording mics, & when I would mix the performances I would get to hear her singing along and have to figure out how to mix it into the recording. I first met her when she was the accompanist for the choir at UNO in 1979. There is no question Pam was an amazing talent. I am shocked and saddened. God bless you Pam.

Pam was truly an inspiration to me. I first met her while she was the interim choral director at Loyola, and the music director for Tulane Summer Lyric. I was just a young soprano without much self confidence, but she always encouraged me and gave me the confidence that enabled me to become a professional singer and performer. She inspired in me a love of music and theater that has shaped my life. I will always remember her 'sniff,' and her references to her own 'punk voice.' I will forever miss you, Pam, God bless you.

I am at a loss for words. When I felt my loneliest, she was there. Now, I'll always know that she is there with me, whether on this Earth or in spirit. I remember always coming to her for comfort whenever I was crying alone under the stairwell--Ms. Legendre, you were, and always will be an extraordinary woman. There are many in the community who will deeply mourn your passing as your life was a life of service, love, compassion and excellence. Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy. I love you so much, Ms. Legendre. Thank you so much for being not only a wonderful music teacher, but my friend. They say heroes don't exist anymore. But I don't believe that, especially not after meeting you. You allowed me to stand up when all the other girls wanted to tear me down. 02/20/16 Sara Trapen, 8th grade student at SSA.

Pam was an incredible talent, as an accompanist, conductor and teacher. She was demanding, but the Loyola students who worked with her, preparing their recitals or juries, loved her. I personally learned so much from Pam, when preparing to conduct the Elgar Concerto with Allen Nisbet and the Loyola Orchestra. She was my friend and I will miss her. I remember how happy she was with her new teaching position at Saint Scolastica Academy in Covington. The New Orleans arts community has lost an incredible home grown musician.

What a wonderful person, we will miss you dearly.. For many years Ms. Pam was an accompanist for my Modern dance classes at NOCCA on Perrier St. And as I think back on a funny memory that always makes me just laugh out loud.. is when we took all these songs from musical and changed the lyrics to sing about fruit and vegetable for the New Orleans French Market Festival. What a ball we had doing that, and discovering we had dancers who should actually sing, and many are now in musicals around town and on Broadway. Thanks Ms. Pam. Peace and Many Blessing Lula Elzy

One of my sweetest, most rewarding memories are the moments preparing for my senior recital at Loyola, and especially the recital itself. Pamela and I played Shostakovich Sonata for cello and piano- a highly demanding piano part. What a talent! I learned lessons from her of musicianship, but also of personal character that have stayed with me. She had the flu the day of my recital but did not bat an eye. I am so grateful to have known her.

Pamela was not only a most musically inclined pianist, she also understood singers so well and always had wise advice for young musicians. Pam, made a lasting impression on me as I was finishing up my undergraduate work at Loyola University. She accompanied both my junior and senior recitals and it was always tons of fun as her playful sarcasm and humorous wit kept things relaxed during rehearsals. I thought of Pam from time to time wondering how she was and am saddened to see this news of her passing. One thing is for certain, her service to the community as a leader in music was immense and she will be missed. Rest in Peace, Pam.

I worked with Pam doing musical theatre concerts with the then new Orleans symphony. She made me a first soprano, the first person to do so, and then again when we as a family did Annie Get Your Gun at Le Petit. Barry, baby Cameron and I. She loved Cameron who was 17 months old and spent most of the rehearsals in a play pen. She always had time for him and fussed over him. She even bought him a gift for his birthday which fell during our rehearsals. This was a tender and loving side of Pam in the midst of hard working rehearsals. Pam was a institution in New Orleans musical theatre. She will be sorely missed. Becki Davis Bradford

Deepest condolences to Pam's family. She and I together produced some memorable musical programs together for Le Petit Theatre under Don Marshall and for the Tennessee Williams Festival. It was a privilege to work with her. It seemed as though Pam could do anything. I knew whatever I put in her hands would be done perfectly; she would not settle for anything less. More than that, she became a dear friend with a great sense of humor. This is a truly terrible loss for the music community.

I am so sorry for her families' loss. Whenever I was playing my violin recitals when I was younger, she was always my piano accompanist for my violin teacher and myself and the other students. Even though she was only piano accompanist, she also helped and guided me in many ways to help me better myself and always made me sound greater than I could ever imagine. Because of her I am also now a piano teacher and because I learned a lot from her, I am also now accompanying my own students. Ms. Pam, thank you so much for that. I will always remember you. R.I.P.
