Mrs. Sweetie was the sweetest lady that you could of ever known. I worked with her many years ago at The Quick Stop. Saw her from time to time and always remembered me. Such a loss, prayers to the family. I know that she will be missed dearly. So sorry, Monica Lloyd

If a person could pick all the things you would want in a sister in law and put it into one person, it would come out to be a perfect match to Sweetie. She was a person that always was happy with a smile on her face. Also was a very rare person that never had anything negative to say about anybody . Most of all everybody that new Sweetie could not help but love her. She will be missed and loved by Russell and Sheila King and family

I am have been Sweety's daughter in law for almost 30 years! I must say she has been the best mother in law a girl could have. In those 30 years there has never been a cross word between us just good times. Her name Sweety describes her to a T. She was just that a Sweet person to anyone she met. She loved her grand children and Great grandchildren immensely. If she knew you were coming you can be sure there was lunch or dinner on the stove waiting for you or anyone that happened to come by. Sweety will be missed by many! I miss her already When it was time to leave A kiss and a I Love you was the last thing she would say. Missing her, Debbie
