John W. Harvill

JUN 28, 1949 - MAR 16, 2016

John W. Harvill, born June 28, 1949 in Bakersfield, CA, passed away at home in Folsom, LA on March, 16, 2016. He was preceded in death by his parents, Joe and Grace Harvill, and his brother, Michael Harvill. John is survived by his beloved wife of 41 years, Jean Reese Harvill, mother-in-law Lorelle L. Reese, sisters-in-law Colleen Harvill and Christine Crist (Bob), Bob's sons BJ Crist (Katie) and Brett Crist (Sophie Warden), brothers-in-law Bill Reese and David Reese, five cherished nephews: Lee Proctor (Allison), Jacob Reese, Reese Proctor (Sara Zegelbone), Billy Reese (Lauren), and Zachary Reese, numerous other relatives, and by his beloved basset hound companions Cooper, Bennett, and Gracie.

John was a blue-eyed California boy who graduated from Texas Tech University with a degree in Petroleum Engineering. After graduation, he began his career in the Middle East before returning to the United States and going to work for Atlantic Richfield in Lafayette, LA. He later moved to New Orleans where he began work with Eagle Consulting as a drilling engineer consultant. He officially retired from the oil field on January 31, 2015.

John was a true Renaissance man who traveled the world. In addition to being a mentor to many in the oil field, he was a talented artist with passions including glassblowing, woodworking, and drawing. He loved the outdoors, gardening, enjoyed sailing, and was always searching for the next perfect beach. He drank Starbucks coffee with friends each morning, was an avid wine connoisseur, and enjoyed the produce from his organic garden and orchard. He was very compassionate to animals and never hesitated to provide financial support for animals in need. He especially loved basset hounds and was a major fundraiser and financial backer of Looziana Basset Rescue, Inc.

Special thanks go to the extraordinary caregivers who were there with John in the final weeks of his life: Tiffany Bullard, Richard Gaumer, Hailey Gill, Louise Harrison, Anne Jenkins, and Simarone Magee.

Dear Jean: Due to the fact our families lived miles apart, I never spent a lot of time with John growing up. I only met you in February 2009 but feel I have known you a very long time through your mother-in-law and my Aunt Gracie. You have my heartfelt sympathy. I understand your pain as you grieve the loss of John. You are a very strong person and hold on to all the loving memories you have of your life spent with John. Love from the Knight families.

Dear Jean, Lorelle, and family: You are in my thoughts and prayers as you grieve the death of John. Though I know him only through you and some of his friends, I feel his love and compassion for all of God's people and creation. He was a "ministry of presence" to all who knew him. Eternal rest grant unto him O Lord, and let light perpetual shine upon him". Love and Peace, Louis Ogle.

My condolences to John's family and friends at this time of sorrow. John lived a wonderful life and will certainly be missed. I always enjoyed conversing and working with John over the years. He was a great help to me personally and to Helis Oil & Gas Company in performing our well drilling and completion projects here in Louisiana. A joyful, intelligent, fun, friendly, beautiful man. Jean, I am so distressed to learn of John's passing. He was one of the kindest people I have ever met and such a joy to work with at Eagle. I use to love taking care of his orchids every Friday afternoon. He will be missed by so many as you know. I always thought that you two were the perfect couple. May he rest in peace. You are in my thoughts and prayers. Jamie Conrad June 5, 2016
