My deepest condolences go to Judy and Steve's family. As neighbors, we shared many memories. One of my many favorite moments was when I had to ask Judy to interpret whatever Steve would tell me. For example, my Latin ears would hear camera when Steve would be talking about a hammer. So, we would have to ask Judy to interpret what Steve was telling me. We shared so many cultural exchanges. He was a very kind, gentle, and giving person. He will be missed by this family. God bless you, Steve. Carmen Leiva and the Frisard girls.

Steve you will be missed as well as your witty Facebook postings. You are one of very few people in my life that did something for me & not ask for anything in return. I think of that often. You are in your heavenly home God prepared for you, but you will be thought of often. Thank you so much for touching my heart in such a meaningful way. I'll see you again. Much love, Cindy Bennett Cunningham
