I had the pleasure of getting to know Mrs. Elaine at Mandeville Elementary where I teach. She had such a friendly nature and a genuine interest in the well-being of the children. That's what I appreciated most about her. It wasn't just a job, she truly cared. She was a sweet and compassionate person... She will be missed. My prayers are with her family for God's peace and comfort.

Elaine was a beautiful neighbor and a kind soul. I felt like I had known her many years. I could see that she was a very loving and supportive wife, mother and grandmother. Her faith made her more appreciated than she knew. She and husband Rich were very understanding as neighbors. She will remain with many of us because of her consideration of others. Her faith has given her another beautiful life. Farewell for now Elaine.

I am so deeply saddened to hear this news. Ms. Elaine was the highlight of my day when I would have lunch with my daughter Emory at MES. Emory was so upset to hear this too and she said Ms. Elaine was her favorite person at MES. Such a sweet person. Prayers to you all during this difficult time.
